

# Visual and Oral History of Powelton Village

The most obvious thing about Powelton Village is the physical integrity of the neighborhood, the gracious Victorian homes and the trees. What's much more difficult to convey is just how much Powelton Village is about the people who live here and the community we've created.

- DVD Contains:**
- Footage of 1960's Powelton Village Fair
  - Precious Places Project "Things that put Powelton on the Map"
  - Plus more than an hour of extra interviews with neighbors about events, places and people in Powelton.
